## George S. Marak

George S. Marak, an esteemed entrepreneur from Williamnagar, East Garo Hills, Meghalaya, began his business journey in 2000 at 24 by founding GSM Group. Under his visionary leadership, GSM Group has become a key player in mining, manufacturing, construction, and hospitality.

GSM Group excels in mining and trading coal, manufacturing stone chips, stone dust, and paver blocks. Since 2006, they have been exporting coal, limestone, boulder stones, and aggregates to Bangladesh. The group includes notable enterprises like Marak Pavers, Alda Nok, GSM Constructions, Power Lite, and Power Roofings.

Power Roofings, a standout in the group, manufactures a variety of tin and aluminum-based roofing options, playing a vital role in the construction business within GSM Group. With its high-quality, durable roofing solutions, Power Roofings addresses the diverse needs of clients, reinforcing the group's reputation for excellence and innovation.

Marak Pavers, the first manufacturing industry in East Garo Hills, specializes in pavers, while Power Lite produces cost-effective AAC blocks. As a first-class contractor, Mr. Marak handles rural development projects, the Jal Jeevan Mission (JJM), and road and government building constructions. GSM Group also engages in warehousing, supply, and retailing of Indian Made Foreign Liquor (IMFL) and beer across eight districts of Meghalaya, and operates coke factories in the Khasi Hills.

Operating from Williamnagar and Shillong, GSM Group provides significant employment opportunities in the Garo Hills and Khasi Hills regions. George S. Marak's dedication and entrepreneurial acumen continue to drive GSM Group's growth, contributing to the economic development of Meghalaya and beyond.
